Best for	Utility or Parking Enforcement. Optional hinged doors with 5 ft flat deck for cargo.	Superior parking enforcement unit. Double sliding door, 9 ft turning radius. ABS trunk.	1.75 cub yd compact hydraulic refuse hauler for congested areas	Utility or parking enforcement. Optional hinged doors with 5 ft flat deck for cargo.		Superior parking enforcement unit. Double sliding door, 9 ft turning radius. ABS trunk.		4 wheel LSV for utility, transport, or parking enforcement. Twin passenger, 5 ft deck, optional RH drive, limited to 25mph on a 35mph our road.				Parking enforcement or transport. Twin passenger. 2 wheels up front for improved speed stability, larger turning radius than GO-4. Optional hinged doors and limited cargo capacity.		
Classification	Motorcycle or Autocycle			Motorcycle or Autocycle				Low Speed On Road Vehicle				Motorcycle or Autocycle		

*Range is an estimate and is quoted without use of accessory draw such as heat & AC. Heavy payload and severe terrain impact range as well. Pack sizing is rounded to avoid decimals.
**Total Payload includes allocation for operators. MAX 15-20 have reduced payloads due to max GVWR LSV class of 3000lbs.
***Note; Manufactures MSRP excludes freight, PDI, taxes, any applicable local fees, and may vary somewhat per territory.
The MAX-EV 6kw offers similar specs as all MAX models however please note the MAX-EV 6kw is for lighter casual use. If seeking a daily fleet work horse, upgrade to a larger battery pack.
Please note specs may change, verify before purchase.
